

2023-2024 SCHOOL WIDE GRANTS ARE PRINCIPAL REQUESTED PROJECTS BETWEEN \$1,000 - \$3,000 GIVEN FOR PROGRAMS WHICH IMPACT STUDENTS THROUGHOUT THE ENTIRE SCHOOL.

"OUABACHE IS SWIMMING AND LEARNING TOGETHER!"

"Ouabache is Swimming and Learning Together!" will be a two-night theater event with performances of Finding Nemo, KIDS the musical. Our Fine Arts evening will feature exhibits of student work from every classroom, hands-on learning stations, Crush's Bait and Snack Shop, and raffle baskets.

Funded by the Larry Paul Fleschner Charitable Foundation

OUABACHE ELEMENTARY

A.C.E.D WITH POSITIVE P.A.W.S.

A. Attendance C. Counts E. Every D. Day and we believe that building great attendance foundations in elementary will carry on for a lifetime. Along with the P.A.W.S. program that is all about practicing kindness, acting responsible, working hard and showing respect.

LOST CREEK ELEMENTARY

BRAVES BREAKING BARRIERS

Braves are breaking barriers by creating an environment that allows for literary/educational, social, emotional, and language growth for our English Language Learners (ELL).

TERRE HAUTE SOUTH VIGO HIGH SCHOOL

EIGHT HOUSES, ONE FAMILY

Students will earn prizes, rewards, and recognition for their "Houses" throughout the year. These Houses provide a sense of belonging and connection with other students and teachers outside of the classroom.

SUGAR CREEK CONSOLIDATED ELEMENTARY

A SINK FOR SCIENCE

Students will have access to a portable sink in the classroom to allow for more science experiments to take place. These experiments will help teach our students the important career ready skills of how to be more observant, inquisitive, ask questions, explore new avenues for research, and find new ways on how they can answer a question or solve a problem.

Sponsored by Elanco Clinton Laboratories

OTTER CREEK MIDDLE SCHOOL

BEN'S BOOK VENDING MACHINE CONTINUES TO CHANGE LIVES- ONE BOOK AT A TIME

Schoolwide incentive program allowing all students in Kindergarten through 5th grade an opportunity to "purchase" brand new books using gold coins "tokens." These tokens are earned by demonstrating Reading Counts progress, appropriate behavior, attendance, classroom work/assessments, and good deeds.

Funded by G.U.A.M. (Give Up A Meal) program at Rose-Hulman Institute of Technology

BENJAMIN FRANKLIN ELEMENTARY

DAVIS PARK ROCKS!

This project will fund an author's visit from Derby the surfing dog and his owner Kentucky Gallahue and items for Mayor's Character Award classroom winners.

DAVIS PARK ELEMENTARY

ESPORTS: MORE THAN JUST A GAME

This grant will provide West Vigo High School with the equipment necessary to begin its first ever competitive esports team. This grant will enable the students at West Vigo High School to compete against other schools around the world as well as expand the already popular intramural esports team while enhancing critical thinking, problem-solving skills, and creativity.

WEST VIGO HIGH SCHOOL

2023-2024 SCHOOL WIDE GRANTS ARE PRINCIPAL REQUESTED PROJECTS BETWEEN \$1,000 - \$3,000 GIVEN FOR PROGRAMS WHICH IMPACT STUDENTS THROUGHOUT THE ENTIRE SCHOOL.

HOUSE SYSTEM HOOPLA

This project promotes positive behavior and character traits of our students. It also allows parents to celebrate their child's achievements and to feel more connected to the school and house system.

HOOSIER PRAIRIE ELEMENTARY

LEARN MORE, ADVENTURE MORE ~ WITH A FIELD TRIP!

Students will enjoy a captivating field trip to the Vigo County History Center, immersing themselves in rich history. Afterward, they will go bowling to engage in social interaction, team building, and physical activity.

**ONE SCHOOL, ONE BOOK –
MAKING RILEY WISHES COME TRUE**

Riley Elementary is making efforts to increase family involvement and literacy skills. As a school community we are reading the Young Hoosier Award winning book "Mr. Tiger, Betsy, and the Blue Moon" by Sally Gardner as a school wide read.

RILEY ELEMENTARY

RETURN OF THE SUGAR SHACK

Using the current PBIS system and Class Dojo reward points, the Sugar Shack is a school store where students can use their positive behavior points they accumulated to purchase fun items and school spirit gear.

SUGAR GROVE ELEMENTARY

**SAFE, RESPECTFUL, AND RESPONSIBLE TIGERS
PREPARING FOR THE FUTURE (PBIS PROGRAM)**

Promoting PBIS and related skills (employability skills) such as attitude, accountability, time management, and teamwork will encourage and build social and emotional development in students that will benefit them for a lifetime.

FARRINGTON GROVE ELEMENTARY

SO YOU WANT TO BE AN AUTHOR?

Local Author, Troy Cummings, will present a writer's workshop to Terre Town students! Students will participate with Mr. Cummings and design a story from scratch. This is an interactive learning opportunity with Mr. Cummings as our guide! [Funded by the Eva Long Memorial Fund](#)

TERRE TOWN ELEMENTARY

POSITIVE BEHAVIOR IN THE HIVE

Positive Behavior in the Hive is a reinforcement project to help students school-wide. We want to create a safe and positive environment for everyone and to help build relationships between students and staff and recognize good behavior.

DIXIE BEE ELEMENTARY

ROARS EXCELLENCE AWARDS

Our ROARS program encourages our students to demonstrate positive traits using the acronym ROARS: Respect, Optimism, Achieving goals, Responsibility and Safe choices.

RIO GRANDE ELEMENTARY

SMART ALEKS AND KOOL NERDS

We believe that our Smart ALEKS and Kool Nerd initiatives promote academic excellence in our students. Because both the Smart ALEKS and Reading Counts programs are individualized, students are encouraged to increase their reading comprehension and improve their depth of knowledge in math.

SARAH SCOTT MIDDLE SCHOOL

**TERRE HAUTE NORTH MANUFACTURING: A
COLLABORATIVE ENGINEERING AND ENTREPRENEURSHIP
VENTURE**

Entrepreneurship and Engineering students are excited to collaborate on a joint business venture. Students will pair their skills for creating, designing, marketing, and selling to build a functional business within the walls and learning environment of their school. [Funded by Elanco Clinton Laboratories](#)
